APPLICATION FOR STRUCTURE MOVING PERMIT

Village Ordinance

250-15. "Permit and bond or deposit required for moving buildings over streets."

- A. No person or corporation shall move any building or structure, or object of similar bulk or weight which requires similar operation for moving, upon, into, in or across any public street or public place in the Village of East Hampton unless a permit has been previously granted by the Mayor of the Board of Trustees and said person or corporation has paid to the Village Treasurer or his deputy the sum of one hundred dollars (\$100.00) for a license, received a license to do said moving and filed with the Village Administrator twenty five hundred dollars (\$ 2,500.00) cash or bond with sufficient surety, approved by the Mayor of the Board of Trustees, in the sum of twenty five hundred dollars (\$ 2,500.00), conditioned for the payment of all costs, expenses and damages sustained by the Village or any person or persons by reason of the moving of the object or structure for which the license is sought and granted.
- B. Applicant shall perform all work related in conformity with New York State Uniform Fire Prevention and Building Code(s) as well as the East Hampton Village Code in addition to applicable New York State and Federal Law(s).
- C. The license herein provided for shall be issued by the Clerk upon presentation of a written application thereof, the bond herein required endorsed, and a liability insurance certificate in the amount of one million dollars (\$ 1,000,000.00) naming the Village as an additional insured.

Any relocation which requires traversing roads or property not owned by the Incorporated Village of East Hampton must obtain all required permits, letters of permission and the like prior to proceeding with the work, and copies of all and same must be filed with the Village Clerk prior to work commencing. Failure to obtain or secure said permits, permissions or the like prior to commencing with the work or failure to file copies of same shall render any permit invalid and void.
